Summer 2010

Aloha Parents!

We hope your family is enjoying a wonderful start to summer vacation. Enclosed is information to help your child get ready for the first day of school at Island Pacific Academy in August, including details about school uniforms, health requirements, school supplies, school calendar, summer reading, course registration, orientation dates, and much more.

Later this summer more important back-to-school information will be posted on the school's website at www.islandpacificacademy.com, including athletic and parent/student handbooks for each division and the Upper School Course Guide. Please visit the school website later in June and July to review this information. From the website homepage, click on the program page, and then look under your child's division to access the posted back-to-school information.

Please note for students entering Grades 6-8, there is a Middle School Course Selection Form that needs to be completed and returned to the school by **June 25**. All new students to Upper School need to make an appointment to schedule their classes as soon as possible this summer. Please refer to the enclosed letter from Principal Nelligan for more details.

Students entering Grades 7-12 who wish to participate in ILH sports in the coming school year must complete several forms and have a sports physical. You will find these forms posted along with the Athletic Handbook on the website.

If you have any questions, please do not hesitate to contact me. On behalf of the headmaster and faculty, I would like to wish you a great summer!

With Aloha,

Megan Rolland
Director of Admission
Island Pacific Academy
