

**Island Pacific Academy**  
**Uniform Information**  
2010-2011

All students are expected to follow IPA's uniform requirements. IPA families will have two options for purchasing uniforms.

- 1) They may purchase all approved uniform items through **Lands' End**, an established mail-order company with an excellent reputation for quality clothing and customer service (see below for ordering information).
- 2) When selecting uniform lower garments (shorts, pants, skirts, skorts) which do not require the IPA logo, families may purchase items from alternative stores provided that the clothing items have the same general appearance (color, style, etc.) as the Lands' End approved uniform choices.

**Important Ordering Information**

I.P.A. families may order uniform items with IPA's **new logo** at Lands' End.  
The following uniform ordering options are available:

*On-line at [www.landsend.com/school](http://www.landsend.com/school) using the NEW custom website*  
*By phone (1-800-469-2222)*  
*Via Lands' End School catalog*

**Preferred School Number: 9001-0858-0**  
**New School Logo Number: 1026265K**

Please visit [www.landsend.com/school](http://www.landsend.com/school) and click on the section "Find your School's Dress Code". Enter IPA's preferred school number to view the approved boys' and girls' uniform requirements available for your child on the new Lands' End custom website for our school. For families with students entering Grades 6-12, please be sure to also read the enclosed *Revised Secondary School Uniform Policy*.

Please note, you are not required to purchase all of the uniform options, and there are restrictions on some items according to gender and grade level. All students must have one combination of the official uniform which consists of the **navy polo shirt with logo and a khaki lower garment** (shorts, pants, etc.) to be worn on field trips.

New IPA families will receive a Lands' End Catalog with this mailing and returning families will receive a catalog mailed directly to them from Lands' End at home. Extra copies of the catalog are also available in the Admissions Office.

Later this summer, the Parent/Student Handbook for your child's division will be available on our website for additional information on the appropriate dress and appearance guidelines (including shoes, socks, belts, hats, outerwear, etc.). Please note, any outerwear (jackets, sweatshirts) worn over the school uniform must be one of the designated outerwear items in classic navy color with the school's logo purchased from Lands' End. Please review the enclosed *Revised Secondary School Uniform Policy* for additional outerwear choices for students in Grades 6-12.

Please consult the Parent/Student Handbook for information on the PE uniform requirements. PE uniforms are available in the school store, The Campus Shoppe, or may be pre-ordered by using the enclosed PE Uniform Order Form. Gently used uniform items are also available in the Campus Shoppe.
