

REVISED SECONDARY SCHOOL UNIFORM POLICY (Effective June 2010)

Middle and Upper

When students wear their uniforms, they are representing Island Pacific Academy and everyone associated with our school. Therefore, students must hold themselves to a high standard when wearing the IPA crest. All uniforms must be clean and of good quality—no stains, rips, etc. Students must look presentable so as to represent themselves, their classmates, and our school in the best light. Clothing must be modest in length and fit (neither too tight nor loose, nor too short or revealing). Serious religious and cultural traditions will be taken into account in interpreting what is appropriate attire.

Specific Rules:

- Uniforms must be worn unless a student is given permission by the administration to be out of uniform.
 - Uniform: Polo/Oxford Lands' End top with IPA logo and uniform pants, skirts, or shorts
 - Polo colors: red, evergreen, classic navy, white

 - Skorts are no longer a uniform option for US students (effective 2010-2011 school year); MS students may continue to wear skorts in the 2010-2011 school year only. Skorts will not be an option for MS students beginning in the 2011-2012 school year.
 - Sports uniform tops can be worn during school hours IF the student has a meet/match/game that day during or after school (a plain tee of uniform color must be worn under volleyball and track/cross country uniforms). Regular school uniform bottoms must be worn with sports tops.
